

Matt Park

CPA | Senior manager

Matt is an audit senior manager at Perkins & Co who believes in working with clients to solve problems. He has over 18 years of public accounting experience, which he leverages to provide excellent client service and to complete successful engagements.

Matt has extensive experience working with small and mid-size nonpublic businesses. In addition to his experience in managing and overseeing financial statement audits and reviews, he works closely with clients to strengthen their internal controls and internal accounting processes. His technical expertise combined with his ability to build strong client relationships makes him a highly effective member of the auditing team.

His industry experience includes real estate and construction, nonprofit, consulting, creative services, manufacturing, international, distribution, professional services, franchise, and employee benefit plans.
