

Julia Furtado

CPA | Senior Manager

Julia joined Perkins in 2011 and is a tax manager in our Real Estate practice group. She enjoys family dynamics, which drew her toward working with multi-generational groups with investments in real estate.

Prior to Perkins, Julia launched her professional public accounting career at a local firm in the Bay Area. For three years she focused on high-net-worth individuals before moving to the Portland area. Her work with Perkins includes tax experience for a variety of clients with a focus on pass-through entities within the real estate industry, as well as the professional and creative services industries. Julia also regularly works with the individual business owners to help them plan for and minimize their personal tax liabilities.

Julia holds a Bachelor of Science degree in Accounting with a minor in Economics from the University of Oregon. She belongs to the American Institute of CPAs and the Oregon Society of CPAs.
